...VOLUME 7: NUMBER 1.....JANUARY, 2012...

Had a Great Time! Wish You Were There!

Of the many celebrations in and around Hillsboro this past holiday season, we think that none probably surpassed for warmth, camaraderie, and just plain fun the Volunteers Appreciation party of the Hillsboro Community Library.

At the HCC kitchen on the evening of December 17, the Library Board hosted a pizza party for all the community members who worked so hard throughout the year to keep the Library up and running.

The Hillsboro Community Library Volunteers

If you're surprised by the crowd in these pictures when you tend to see the same familiar (I won't say "old") faces behind the Library desk, that's because there are so many ways to support your local library! It only begins with the desk staff, the wonderful folks who keep the Library open five days a week so that patrons can enjoy all the Library has to offer. Of course there are some perks. Deskers get to look over all the newest acquisitions as they catalog them into the collection; they not only troubleshoot, but enjoy, the broadband and WiFi Internet connections; and they get to meet their neighbors, keep up on the latest news, and help them find the resources they need. Want to help, too? See Garland Bills!

If you prefer to work at home, there's a lot of folks who help from their kitchens. The Library's main fund raising effort is the monthly Bake Sale headed by the incomparable Diane Bellack who's always looking for new bakers, sellers, and buyers every first Saturday of the month out in front of the Post Office. Bake or buy or sell -- join us!

And where would we be without the Library Board to keep the whole enterprise going? The Annual meeting is February 11. Think you might like to serve? Come to the meeting and check it out!

And there are many one-off opportunities to help out. You can donate materials or offer your unique skills. And don't forget that you support the Library every time you stop in as a patron. We are the Hillsboro COMMUNITY Library and you are our community!
